

The Address Book section lists many assemblies of Christians throughout the United States and Canada. It is a helpful resource for Christians who travel or relocate, enabling them to conveniently find others who share these beliefs and church practices. This useful resource contains a wealth of information, including addresses, phone numbers, email addresses, websites, meeting times, and persons to contact for further information. For the Commended Workers section, in addition to address, phone, and email information, this section provides commendation listings and ministry details. The list of commended Christian workers is published to encourage prayer and personal contact. Entries are organized by state and alphabetized by last name within each state. An index is also provided for ease of use. In the newer Camp section, you can find Assembly camp information for each State or Province, along with contact details. The Service Organization section has also been extensively expanded and categorized by ministry activity.
