

In listening to the changing language of the year, said Rudolf Steiner, we can rediscover our individual nature. These meditative verses, one for each week of the year, help to awaken a feeling of unity with nature while simultaneously stimulating a discovery of the self. Through intensive work, Steiners unique meditations can lead to a feeling of oneness with the world. This budget-priced pocket version features Owen Barfields pioneering translation - paraphrased for an English ear - based on more than 50 years studying the text. As Barfield argues, no simple translation can convey the thrust of the verses. In his words: It is this quality which the version that follows especially aims to suggest - at the expense, where necessary, of close reproduction.
