

WHEN THINGS SUCK - YOU'RE NOT STUCK! There is no doubt that what we do in this world comes back to us like a boomerang. And at times the result hurts. To ease our pain and disappointment, we turn to a common universal principle and simply accept the outcome as "the way it's meant to be." Some might call it "fate." Some might call it "karma." Just because it's a universal principle doesn't mean it's a universal limitation. Nowhere is it written that the result you got is final. No law, whether spiritual or temporal, prohibits us from seeking a new avenue. So Living by the Boomerang picks up where this universal principle leaves off because the only way it's meant to be is the way you decide to leave it. Start Living by the Boomerang today to get the results you want and the success you deserve!
