

Samuel will be a big brother soon, and on Monday during show-and-tell he announces that he is having a baby. Before long, his kindergarten classmates join in the fun and by Friday, each of them is expecting to add a new member to the classroom family--from triplets to a beagle to a stegosaurus and even a dump truck! But Samuels excitement dampens as he worries about sharing his toys with the new baby, stinky diapers, and too much crying. Maybe having a baby isnt all fun and games after all. Can Samuels eager friends and a caring teacher help him to be ready for the big day?
